There's a new mobile application showcase, a new Jobs listing, and a new blog with a whole heap of content on the Yahoo Mobile Platform. Oh, and many of you will also have spotted the new Yahoo Mail application. All of these changes, especially the one to the front page, are designed to help you keep a better, more streamlined and productive control of your Yahoo experiences. If that means a more efficient Yahoo Mail, then so be it, but can you think of other ways that mobile technologies will change the way you live and work on the go? If you've got a great new app idea for mobile users, now is the time to get it across and earn some $ for your hard work. The Yahoo User Centre was launched this year to give companies, developers and individuals a direct route to access the latest mobile technologies, as well as a platform to showcase their own innovations. Unlike the App Store and the Google Marketplace,
